The Rising Stars program provides a FREE (if qualified) youth summer sports and leadership program for 6 weeks. The program is targeted for youth and families that don’t have the financial resources for summer programs.

This program will help keep youth focused on developing their leadership skills through a variety of activities. Sports, team builders, educational workshops, guest speakers, and field trips are just some of the activities and tools we will use to help attendees develop skills and experience personal growth during their time in the program.
